

ABSTRACT OF THE DISCLOSURE

Providing guidance for a subject may include receiving profile information about the subject, the profile information reflecting at least one of physical attribute information and lifestyle information. Information may also be received reflecting a birth-related classification of the subject, such as an identification of the subject's astrological horoscope sign. Thereafter, guidance may be provided for the subject, the guidance at least including beauty advice and being a function of at least some of the profile information and the subject's birth-related classification.
